

Moravian Close in winter

Advent Star

Before Christmas, look out for the Advent Star in the chapel window. Advent Stars come from Herrnhut in Germany, and hang in Moravian Churches all over the world at this time.

Christingle

At Christmas, we have a Christingle service, where everyone receives a Christingle, made from an orange, a candle, some decorations, and sweets.

This is a quotation from the Bible:

The light shines in the darkness, and the darkness has not overcome it.

This is one of a planned series of reflections, look out for more in 2024.

Our Moravian winter traditions

Leave Moravian Close and rejoin the bustling warmth and light of the King's Road knowing that the Close is resting, waiting and longing for better times ahead. Feel lighter, comforted, and more joyful.
